

MAXIMISE YOUR PROPERTY'S MONTHLY INCOME WITH BILLBOARD ADVERTISING

As property owners enjoy the benefits of ongoing rental income that contributes positively to the investment of your property

develop billboard strategy

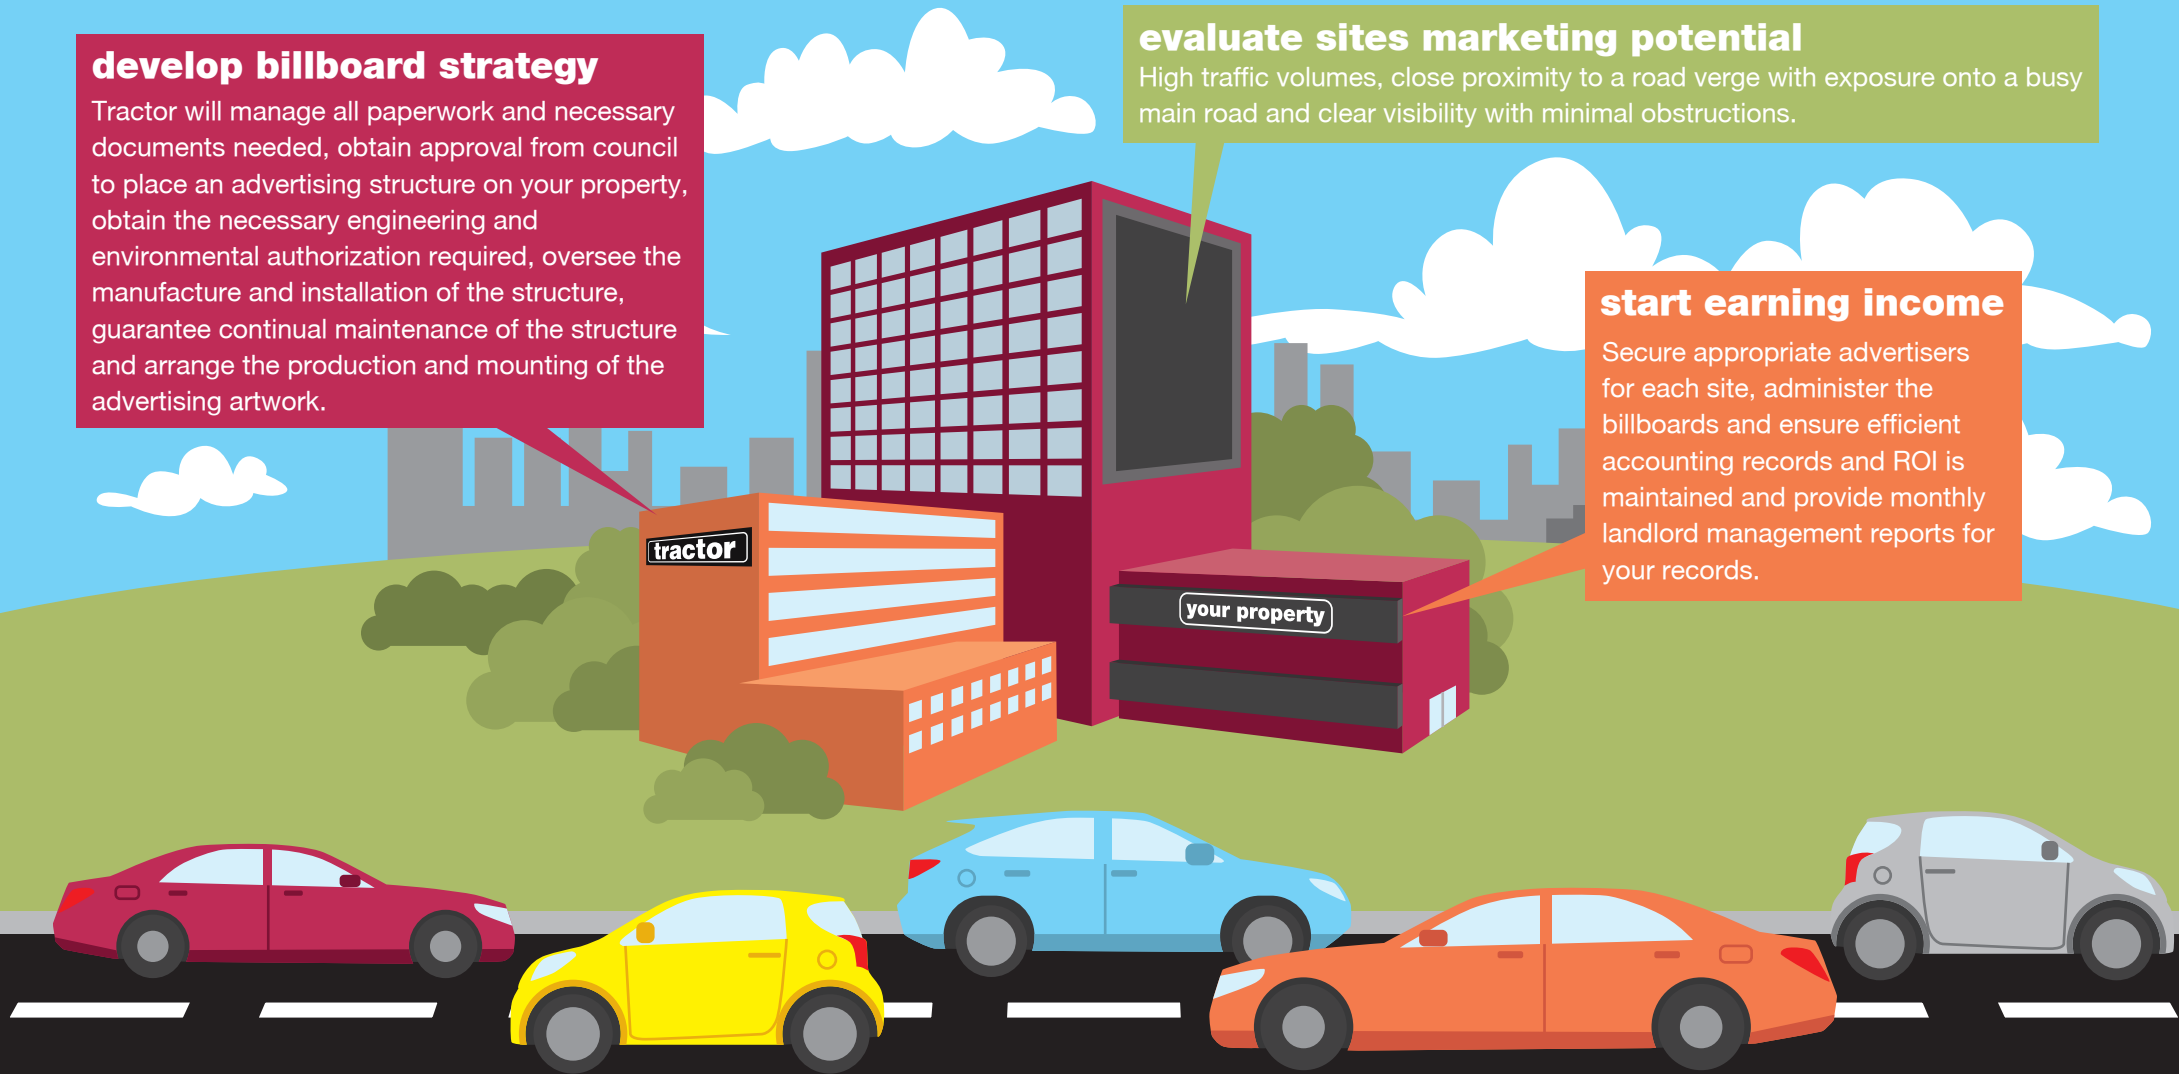

Tractor will manage all paperwork and necessary documents needed, obtain approval from council to place an advertising structure on your property, obtain the necessary engineering and environmental authorization required, oversee the manufacture and installation of the structure, guarantee continual maintenance of the structure and arrange the production and mounting of the advertising artwork.

evaluate sites marketing potential

High traffic volumes, close proximity to a road verge with exposure onto a busy main road and clear visibility with minimal obstructions.

start earning income

Secure appropriate advertisers for each site, administer the billboards and ensure efficient accounting records and ROI is maintained and provide monthly landlord management reports for your records.

LET'S TALK

We are constantly looking for new sites to develop. If you think you meet the requirements, contact us to discuss the details.
